Helping Hand
4 Cancer Care

You, Myself & Everybody

Face problems in our life in different ways,

but what's more important is no matter what the problem is

we have to GET UP & KEEP MOVING FORWARD

- Dr. Suresh H. Advani

Dr. Suresh H. Advani, a renowned oncologist with prestigious fellowships, leads as Chief of Medical Oncology in multiple top hospitals, demonstrating excellence in cancer care. His inspirational journey from overcoming polio to receiving the Padma Bhushan inspires dedication to cancer treatment and medical education. Participating in global programs like ICRET, he shapes expertise in bone marrow transplantation and oncology. As an educational advocate, he breaks barriers and mentors future medical professionals, fostering inclusivity in the field. Dr. Advani's pioneering work includes conducting India's first successful bone marrow transplant, establishing vital cancer treatment infrastructure. With over 30 years of experience, his clinical excellence and research advancements contribute significantly to cancer treatment. Known for his patient-centric approach, he provides holistic support alongside medical treatment, instilling hope and compassion. Internationally recognized, his contributions elevate cancer care standards globally, leaving a lasting leadership legacy as Chief of Tata Memorial Hospital's Cancer Department, inspiring future generations of oncologists.
